

DEANNA'S LYRIC
FOUNDATION
FOR THE ARTS, INC.

Deanna Camille Green

March 21, 1992 - May 6, 2006

Deanna's Lyric, Foundation for the Arts, a 501 C (3) organization was founded to commemorate the life and talent of fourteen-year-old Deanna Camille Green. A young talented lyric soprano, Deanna was electrocuted in 2006 while participating in a faith based softball game at Druid Hill Park in Baltimore, Maryland.

Deanna loved music – it was her passion and desire to share her God given talent! The mission of the foundation is to ensure that Deanna's angelic, lyrical voice continues to be heard through the lives, voices and talents of other young performing artists.

It is the goal of the Foundation to **promote the performing arts** through annual academic scholarships. Each academic year, our goal is to award four \$2500 scholarships to four college bound students majoring in the in the Performance Arts. The Foundation and its Board Members are dedicated to the success of this endeavor. Notwithstanding, the rising cost of college tuition and other challenges that students face, awarding of our Foundation scholarships can move a young talent closer towards achieving academic and professional success! In this way, the spirit and lyrical voice of Deanna will live on for generations to come!
